Enrollment by Residence

A snapshot of enrollment in the Bureau of Indian Education is collected every year on the first business day in October. The student count is the main base of funding for the Bureau of Indian Education, based on Title 14 of the Bureau of Education Code, and includes varied levels of funding based on educational needs. This count does not include students who enrolled after October 1st. It is also independent of the ISEP count which is the last Friday of October.
