

WEBINAR: Calculating the ISEP Funding and Formula

Date: Thursday, May 21, 2015 – 4 p.m. to 5 p.m. EDT

Presenter: Dr. Joe Herrin, Financial Systems Specialist

Description: This webinar is a continuation of the BIE Basics on the BIE Budget. This presentation will be held on Thursday, May 21, 2015 from 4:00p.m. to 5:00 p.m. EDT and will discuss the Indian School Equalization Program (ISEP). ISEP formula funds are the primary funding for basic and supplemental educational programs at BIE-funded elementary and secondary schools. In SY 2015-2016, this funding will support an estimated 48,000 individual students with a calculated 41,330 Average Daily Membership (ADM) at BIE schools and dormitories. The presenter will describe how to calculate the formula and what the funds intended uses are. We will also answer questions about ISEP. We invite you to bring your questions and concerns.
