## Webinar: Safety & Condition Assessment Portal (S&CAP)-Boiler Inspections

### Description

The Bureau of Indian Education (BIE) in collaboration with Indian Affairs Division of Safety and Risk Management are offering a series of facilities, property and safety management webinars through September. The second webinar, *Safety and Condition Assessment Portal (S&CAP)-Boiler Inspections*, will be held on **Thursday, July 14, 2016** from **12:00 p.m. to 1:00 p.m. EST**. During this one hour webinar, the presenter will discuss the inspection creation and data entry process for a boiler inspection in the S&CAP. S&CAP is the initial point of entry into the Indian Affairs-Facilities Management System (FMS) for most deferred maintenance work orders. This course is intended for employees who will be using S&CAP to enter deficiencies to a boiler inspection and will cover the following topics:

- Navigating S&CAP
- Specifying the inspection sites and locations
- Reviewing the existing deficiencies list for repeat deficiencies
- Entering new deficiencies
- Validating locations
- Validating boiler assets
- Submitting an inspection
