

BIE LISTENING SESSIONS

BIE invites tribal leaders and representatives to join us at our listening sessions held during the 2016 White House Tribal Nations Conference.

Wednesday, September 28, 2016

Department of the Interior, North Penthouse

Every Student Succeeds Act BIE State Plan

The BIE is seeking input through this listening session on development of its State plan as required by the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). In its State plan, BIE will describe how it will implement ESSA, get a comprehensive picture of school success, provide support for struggling schools, offer better data for parents and communities, and develop a streamlined school improvement plan.

Time: 1:30-2:30 p.m.

BIE Teacher Equity Plan

The Department of Education called for states to update plans to assure that all students have access to qualified and effective educators. In this listening session, the BIE seeks input on how to implement strategies and activities beginning with the 2016-17 school year that will meet this expectation in our schools.

Time: 3:00-4:00 p.m.
