

Myron Rolle Foundation

Fifty-two students and twelve teachers and chaperones from San Felipe Pueblo Elementary School, Isleta Elementary School, Tuba City Boarding School and Hotevilla Bacavi Community School participated with the Myron Rolle Foundation in attending the Diamondbacks Baseball game in Phoenix, Arizona on April 25, 2010. The students completed a six week program of physical activity to promote fitness and good health. The students' physical fitness was assessed based on height, weight, tracking resting heart rates and body mass index. The BIE Partnership Office, Deputy Director - School Operations encouraged and congratulated the students, faculty, chaperones, and Myron Rolle for reaching out to our students. Myron Rolle will close out the activities via Skype Video Conference.)
