The Utah Assistive Technology Foundation is a private, non-profit organization that works with Zions Bank of Utah to provide zero and low-interest loans to purchase assistive technology and telework devices. The UATF also offers some small grants (\$250 or less) on a limited basis through non-federal funding to families who meet federal poverty guidelines. The goal of the UATF is to enhance the independence, education, employment, and quality of life for Utah citizens with disabilities.

## **Utah Assistive Technology Program (UATP)**

6855 Old Main Hill, Logan, UT 84322-6855

Voice: 800-524-5152 (Toll Free), 435-797-3824

Fax: 435-797-2355

The Utah Assistive Technology Program (UATP) gets assistive technology (AT) into the hands of people who need it.

We serve individuals with disabilities of all ages in Utah and the intermountain region. Our job is to provide AT devices and services, and train university students, parents, children with disabilities and professional service providers about AT. We coordinate our services with community organizations and others who provide independence-related support to individuals with disabilities.

Our goal is to help people use technology to be more independent in education, employment, and community settings.
