

Second Mesa Day School

Mission Statement

Second Mesa Day School provides a positive and safe learning environment based on the strengths and values of our Hopi Community. Through a cooperative effort among the students, parents, educators and community members, our children acquire skills to be responsible and productive members of an ever-changing world.

Vision

As a school of innovation, Second Mesa Day School shall become an exemplary and nurturing community of academic excellence for all students. Our school shall develop a life-long commitment to learning and respect for culture and diversity.
