How to have a new employee added

- Local administrator or timekeeper sends email to
  - Edie Benson – edie.benson@bie.edu
  - Jacque Benavides – jacque.benavides@bie.edu
    - Send to both of us, that way if one of us is out of the office, the other can help you out

- The email must include:
  - New employee’s full name, as it is or will be entered in FPPS
  - New employee’s timekeeper
  - Are they going to be a Timekeeper or Certifier?
  - Not necessary to include SSN
    - Due to privacy issues. We’ll go into FPPS to get SSN. If employee is not in FPPS yet, we’ll need to call you for the SSN, make sure you include your phone number!

- You will receive a return email from us when your new employee is added
How to have an employee removed from Quicktime

- Employees are not deleted, they are deactivated
- Allows for reactivation later if reemployed or amendments are needed
- Email Edie and Jacque requesting deactivation

Things to consider:

- Was the former employee a timekeeper or certifier?
  - If so, you’ll need to reassign employees to new timekeeper or certifier before we can deactivate
Things to consider (continued)

- Is the employee moving to another BIE or BIA organization? If so, where?
  - If the employee is moving to another location within your Agency, your local administrator can reassign them to their new timekeeper and certifier.
  - If the employee is moving to another location outside your Agency, Edie or Jacque can reassign them to their new timekeeper and certifier. Send us an email with the information!
- Don’t request deactivation until their final timesheet with your organization is completed, validated and certified!
