## Monthly Technical Assistance (TA) Call

The BIEDPA Special Education is dedicated to improving results for students with disabilities. Starting in March 2018, we are starting monthly TA calls and are inviting ADD staff, ERC staff, school staff, related service providers, parents of children with disabilities to join us for our monthly TA calls that will provide information on relevant special education topics and activities. Your feedback about possible topics for future calls will be valuable to us and we hope that these calls will provide an avenue for increased communication and universal technical assistance to ADDs, ERCs and BIE-funded schools.
