(c) Accountability system

(1) For the purposes of part A of subchapter I, the Secretary of Interior, in consultation with the Secretary, if the Secretary of the Interior requests the consultation, using a negotiated rulemaking process to develop regulations for implementation no later than the 2017-2018 academic year, shall define the standards, assessments, and accountability system consistent with [ESEA section 1111/ 20 U.S.C. §6311] of this title, for the schools funded by the Bureau of Indian Education on a national, regional, or tribal basis, as appropriate, taking into account the unique circumstances and needs of such schools and the students served by such schools.

(2) The tribal governing body or school board of a school funded by the Bureau of Indian Affairs may waive, in part or in whole, the requirements established pursuant to paragraph (1) where such requirements are determined by such body or school board to be inappropriate. If such requirements are waived, the tribal governing body or school board shall, within 60 days, submit to the Secretary of Interior a proposal for alternative standards, assessments, and an accountability system, if applicable, consistent with [ESEA section 1111/ 20 U.S.C. §6311] of this title, that takes into account the unique circumstances and needs of such school or schools and the students served. The Secretary of the Interior and the Secretary shall approve such standards, assessments, and accountability system unless the Secretary determines that the standards, assessments, and accountability system do not meet the requirements of [ESEA section 1111/ 20 U.S.C. §6311] of this title, taking into account the unique circumstances and needs of such school or schools and the students served.

(3) Technical assistance
The Secretary of Interior and the Secretary shall, either directly or through a contract, provide technical assistance, upon request, to a tribal governing body or school board of a school funded by the Bureau of Indian Affairs that seeks a waiver under paragraph (2).
